WELCOME

On behalf of the Florida Department of Transportation and the Central Florida Expressway Authority (CFE), formerly the Orlando-Orange County Expressway Authority, thank you for your interest in the Wekiva Parkway design and construction projects. The Wekiva Parkway (State Road 429) is a cooperative effort between these agencies and the Florida's Turnpike Enterprise.

The Wekiva Parkway (SR 429) would connect to SR 417, completing the beltway around northeast metropolitan Orlando. This estimated \$1.6 billion project includes \$200 million of non-toll road improvements including:

- Widening seven (7) miles of SR 46 in Lake and Seminole Counties.
- Rebuilding the US 401/SR 46 interchange in Mount Dora.
- Shifting the SR 468 connection to SR 46 so wildlife can move more safely between habitats.

[Click here to view the overall Project Schedule.](#) Please understand schedules are subject to change due to a host of variables.
