

SECTION 3A & 3B PROJECT OVERVIEW

(FPID No.'s 238275-2-52-01 & 238275-3-52-01)

Section Overview: Sections 3A and 3B feature non-tolled improvements to State Road 46 and US Highway 441, in anticipation of the large number of motorists who will want to get to the new expressway once it is built. The two sections will be put out for bids and built at the same time.

Project Schedule*:

Right-of-Way Acquisition:	2014-2017
Advertise for Bids:	2017
Construction:	2017-2019

**Schedules are subject to change due to a host of variables.*

Section 3A

Project Limits: SR 46 from east of Vista View Lane to east of Round Lake Road

Project Length: 1.4 miles

Project Status: 60% Design Plans

Project Description: The project consists of designing the widening and other non-tolled improvements to SR 46 and Round Lake Road. Design improvements will include medians and turn lanes, sidewalks, drainage and other roadway features.

Construction Cost: \$10.4 million

Section 3B

Project Limits: SR 46 from west of US 441 to east of Vista View Lane

Project Length: 2.4 miles

Project Status: 60% Design Plans

Project Description: The project consists of designing the US 441 flyover interchange at SR 46, as well as a signalized, at-grade intersection and road widening. Design improvements will include drainage and retention ponds, medians and turn lanes, sidewalks and other roadway features.

*The project limits now extend south on US 441 to include resurfacing and other improvements down to the Lake-Orange County Line.

Construction Cost: \$40.6 million
